## **Speechless**

## **Rupert Holmes**

I can make a speech When the mood comes to me, yes it's true But oh pretty darlin' I am speechless when it comes to you

Speechless when you reach for my hand I am so speechless and I can't understand how you love me But as long as you keep sayin' that you love me There is nothin' I can say

Except I am speechless at the sound of your voice I am so speechless and since I have no choice I keep smilin' like a cat whose caught a bird And just keep smilin'

If I dare to say a word, you'd find me mindless And I don't really mind, love is blindness And my mind is resigned to the kindness you keep pourin' on me Can it be? Can it be? Can it be all for me?

I don't have a hope If you don't dream of me, this is true 'Cause oh pretty darlin' I am hopeless when I dream of you

Speechless and the heart never lies I am so speechless so I speak with my eyes I am just smilin' 'cause I've seen [?] Oh, are you smilin' at my face within the darkness

When I am breathless and I come up for air It's so endless that it gives me a scare It's so timeless that I never touch ground Why should I? Why should I make a sound

I can sing your song I can sigh in the night, this is true But oh pretty darlin' I am speechless at the sight of you
