

# Can't Get Away

Rush Of Fools

I am an arrow, I am a rocket  
I am a river and nothing can stop it  
Cause You are the target and You are the atmosphere  
You are the ocean that keeps pulling me, You're pulling me here

[Chorus:]

And I, can't get away, can't get away  
Can't get away, can't get away  
I can't get away, can't get away...I keep running into You  
[repeat]

I am a beggar, You are the table  
I am so helpless, God You are so able  
And when I get turned around You change my direction  
You're so perfect, I'm so broken, here You come with arms wide open  
Chasing after me down every road  
You're always waiting there

[Chorus]

Even when I close my eyes, I can't help but see  
There's no place that I can hide, You're such a part of me  
I can't get away cause I keep running into You  
I can't get away...

[Chorus]
