

Escape

Rush Of Fools

Everybody crashes down
Sometimes
Everything comes falling down
Sometimes
I don't even know how,
Or know why

[CHORUS:]

The thing I can't escape is You
The promise that You made is You will pull me through
You're never far away no matter what I do
The thing I can't escape is You

At times I try to hide away
From Your eyes
At times I'm covered up in shame
From my lies
You sweep me into Your embrace
And I cry

[CHORUS]

It's You
Your grace
Irresistible
It's true, it's true
Your grace
Irresistible

[CHORUS x2]
