

Lose It All

Rush Of Fools

There's nothing quite like you
There's nothing here on the earth
You've nothing left to prove
None can compare to Your worth
Okay, all right, there's more that I am living for
When I'm Yours

[CHORUS:]

Oh oh oh oh, I wanna to lose it all for You
Oh, oh, oh, if it's the last thing that I do
Oh, oh, oh, the only thing that really matters now
I wanna lose it all for You

It'd be the greatest day
If all the accolades
Were simply thrown away
With nothing left to say
Okay, all right, there is more that I am living for
When I'm Yours

[CHORUS]

The smartest thing is to give up everything
Only the foolish ones will hold on, hold on
But the fight in me wants to cling to everything
Save the foolish one, I hold on, I hold on

[CHORUS x2]

I wanna lose it all for You
I wanna lose it all for You
I wanna lose it all for You
