

## Power in the Blood

Rush Of Fools

Would you be free from the burden of sin  
There's power in the blood, power in the blood  
Would you o'er evil a victory win  
There's wonderful power in the blood  
There's wonderful power in the blood

There's power to save  
Power to heal  
Power that gives us strength to stand  
There's power to cleanse and redeem  
In the precious blood of the lamb

Would you be whiter, much whiter than snow  
There's power in the blood, power in the blood  
Sin stains are lost in its life giving flow  
There's wonderful power in the blood  
There's wonderful power in the blood

Oh, the cross was enough  
Oh, the cross was enough  
Oh, the cross was more than enough  
There is wonderful power in the blood
