

# We Will Stand

Russ Taff

Sometimes it's hard for me to understand  
why we pull away from each other so easily  
even though were all walkin' the same road  
Yet we build dividing walls between our  
brothers and ourselves, but I, I don't care  
What label you may wear, if you believe in Jesus  
You belong with me, the bond we share  
And all I care to see it will change the world forever  
if you will join with me, join and sing, sing...

You're my brother you're my sister  
so take me by the hand  
Together we will work until He comes  
There's no foe that can defeat us  
if we're walkin' side by side  
As long as there is Love  
We will stand

The day will come that we will be as one  
and with a mighty voice together  
We will all proclaim that Jesus, Jesus is King  
It will echo through the earth  
it will shake the nations  
And the world will see  
And they will see

Take me by the hand  
Join with me  
Join let us sing
