

# If You Don't Know Me By Now

Russell Watson

If you dont know me by now  
You will never never never know me

All the things that weve been through  
You should understand me like I understand you  
Now girl I know the difference between right and wrong  
I aint gonna do nothing to upset our happy home  
Oh dont get so excited when I come home a little late  
at night  
Cos we only act like children when we argue fuss and  
fight

If you dont know me by now (if you dont know me)  
You will never never never know me (no you wont)  
If you dont know me by now  
You will never never never know me

Weve all got our own funny moods  
Ive got mine, woman youve got yours too  
Just trust in me like I trust in you  
As long as weve been together it should be so easy to  
do  
Just get yourself together or we might as well say  
goodbye  
What good is a love affair when you cant see eye to  
eye, oh

If you dont know me by now (if you dont know me)  
You will never never never know me (no you wont)  
If you dont know me by now (you will never never never  
know me)  
You will never never never know me (ooh)
