

Saw Red

RX Bandits

Every day I love her a little bit more
A little bit more, a little bit more
Every day I love her just a little bit more
And she loves me the same
Every day I love him a little bit more
A little bit more, a little bit more
Every day I love him just a little bit more
And she loves me the same

Baby if ya wanna get low
Baby if ya wanna get high
It makes no sense at all
I saw red
I saw red
I saw red
One more secret lover that I shot dead

Every day I wake up, just a little bit more
Feeling like a dog in the yard because it's just how we are
And every day I wonder if it's over
When I wake up I realize that it not
And I break down the wall
You say it's black but I can't believe you
And if I say it's white say I'm just trying to deceive you
And baby, I'm aware of the high and the low
And I'll be waiting in the middle
But I just lack control

Girls don't go crazy
Girls don't go crazy
Oh girls don't crazy when the men use you oh
Women hold your men tight
If it makes you feel all right
It's your own life
