

Little Sister

Ry Cooder

Little sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you o what you big sister done

Well, I dated your big sister
And I took her to a show)
I went out for some candy
Along came Jim Dandy
And they snuck right out the door

Little sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done

Ev'ry time I see your sister
Seems she's got somebody new
Well, she's mean and evil
Like that little old Boll Weevil
Got to try my luck with you

Sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done

Well, now I used to pull your pigtails
And I pinched your turned-up nose
Baby you been a-growin'
Yes, it's been a-showin'
From your head down to your toes
