

# Money Honey

Ry Cooder

Well, the landlord rang my frontdoor bell  
I let it rang for a long, long spell  
Went to the window, peeped through the blind  
Asked him to tell me what was on his mind  
He said, "Money honey, money honey, money honey  
If you wanna stay here with me"

I was clean and screened and so hard pressed  
I called the woman that I loved the best  
Finally found my baby 'bout a quarter to three  
She said, "I'd like to know what you want with me"  
And I said, "Money honey, money honey, money honey  
If you wanna get along with me"

Well, she screamed and said  
"What's wrong with you, from this day forth  
Our romance is through"  
I said, "Tell me baby, face to face  
How could another man take my place ?"  
She said, "Money honey, money honey, money honey  
If you wanna get along with me"

I've learned a lesson and now I know  
Sun may shine, wind may blow  
Women may come and women may go  
But before I tell 'em that I love 'em so  
I want "Money honey, money honey, money honey  
If you wanna get along with me"
