

# The Dark End Of The Street

Ry Cooder

At the dark end of the street  
That's where we always meet  
Hiding in shadows where we don't be long  
Living in darkness to hide our wrong  
You and me at the dark end of the street  
You and me

I know time is gonna take its toll  
We have to pay for the love we stole  
It's a sin and we know it's wrong  
But our love keeps coming on strong  
Tonight we'll meet at the dark end of the street  
You and me

They're gonna find us, oh, they'll find us  
They're gonna find us, they're gonna find us  
Ooooooh, some day  
You and me at the dark end of the street  
You and me

And when the daylight hour rolls around  
And by chance we're both downtown  
If we should meet, just walk on by  
Ooooh darling, please don't you cry  
Tonight we'll meet at the dark end of the street  
You and me
