Elizabeth, You Were Born to Play That Part

Ryan Adams

```
For you Id do anything
Tear myself in two
Just to hear you breathe

Calculate the changes that in time
Turn to nothing and then multiply
Yourself by pain,
And you're not even close Elizabeth

Over you I will never be,
I wish I knew why
It never comes to me,

I'm waiting for someone who just wont show
And every night it feels like there's no tomorrow
Not that you will ever know,

Where ever you are I hope you're happy now
I'm caught in a dream and I cant get out
I'm caught in a dream
I'm caught in an endless dream

And I'm not strong enough to let you go,
And I have tried everything
But that
Elizabeth
