

# I Wish You Would

Ryan Adams

It's 2 am, in your car  
Windows down, past my street, memories start  
Say it's in the past  
You drive straight ahead  
Thinking that I hate you now  
But you still don't know what I never said

I wish you would come back  
Wish I never hung up the phone like I did  
I wish that you knew that  
I'll never forget you as long as I live  
I wish you were right here, right now  
It's all good  
I wish you would

It's 2 am, in my room  
Headlights pass the window pane  
And I think of you  
We're crooked love  
In a straight line down  
Makes you wanna run and hide  
Makes you wanna turn right back around

I wish you would come back  
Never hung up the phone like I did  
I wish that you knew that  
I'll never forget you as long as I live  
I wish you were right here, right now  
It's all good  
I wish you would  
I wish we could go back  
And remember what we were fighting for  
I wish that you knew that  
I miss you too much to be mad anymore  
I wish you were right here, right now  
It's all good  
I wish you would

You always knew how to push my buttons  
You gave me everything and nothing  
This mad love makes you come running  
Stand back where you stood  
I wish you would, I wish you would

It's 2 am, here we are  
See your face, hear my voice in the dark  
We're a crooked love  
In a straight line down  
Makes you wanna run, makes you wanna hide  
Makes you wanna turn right back around

I wish you would come back  
Never hung up the phone like I did  
I wish that you knew that  
I'll never forget you as long as I live  
I wish you were right here, right now  
It's all good

I wish you would  
I wish you would come back  
Never hung up the phone like I did  
I wish that you knew that  
I'll never forget you as long as I live  
I wish you were right here, right now  
It's all good  
I wish you would  
I wish you would  
I wish you would

I wish we could go back  
And know what we were fighting for  
I wish that you knew that  
I miss you too much to be mad anymore  
I wish you were right here, right now  
It's all good  
I wish you would
