

# Silver Bullets

Ryan Adams

Go and get the gun  
Cause its only getting worse  
Go and fill it up with silver bullets  
Cause I can't see the sun  
But I know its going away  
And I can't make you love me  
And you can't make me stay  
I'm the wolves at the door  
You're not supposed to let in  
But you can't make me feel if I'm not feeling  
And I can't see the sun  
But I know its going away  
And I can't make you love me  
And you can't make me stay

Other Live Lyrics:

It's only getting worse  
So I get loaded up  
On silver bullets

And I can't see the sun  
I know it's gone away  
I can't be the one  
If you won't let me stay

So go draw yourself a bath  
And find the kitchen drawer  
Cause you can't make me smile  
Anymore

And I can't see the sun  
I know it's gone away  
And I can't be the one  
If you won't let me stay

So honey, go find the gun  
I think it's in your purse  
And get loaded up  
With silver bullets

And I can't see the sun  
I know it's gone away  
And I can't be the one  
You can't make me stay
