

# Passion

Ryan Beatty

Broken politics, wonder if  
You can change my mind  
And move to the flicker of the life  
Say goodbye, to the high

I'm shutting out all the messages  
Breaking down again  
Breaking from your grip  
Do you miss me?  
Yeah, Imma make you sense  
I don't know

At least I tried  
At least I tried  
I'm getting tired  
Of running  
And wearing this broken crown

I'll fight for it  
I swear I'll never lose the passion  
When I'm down  
Can I call out your name?  
I swear I'll never lose the passion  
When I'm down  
Can I call out your name?

I don't wanna cry  
I don't wanna cry  
Just wanna take what's mine  
And do it all in time

Remember who we are  
Remember who we are  
When we are apart  
This love is dark

I'll fight for it  
I swear I'll never lose the passion  
When I'm down  
Can I call out your name?  
I swear I'll never lose the passion  
When I'm down  
Can I call out your name?

I don't wanna cry  
Myself to sleep  
I stay awake  
So I can dream  
Of you and I  
And everything  
Come back to me  
Come back to me

I'll fight for it  
I swear I'll never lose to passion  
When I'm down  
Can I call out your name?

I swear I'll never lose the passion  
When I'm down  
Can I call out your name?

When I'm down?  
Can I call out your name
