

# Pretending

Ryan Beatty

Time, time is what you said that you were needing, away from me  
,  
But I, I guess that I was too far in the distance, to even see,  
The things between us now,  
Just haven't quite been the same,  
Can we figure out, which one of us is to blame,  
'Cause I can't go on.

And Oh,  
Why are we pretending?  
Why are we just wasting time, on a love that isn't real?  
Because if you don't want me,  
You should just tell me now,  
So I can save these tears.

You, you said that you would never,  
Ever hurt me but I guess that was a lie,  
'Cause it's killing me to watch you stay  
When I, I know this is goodbye,  
And it's hard for me to think,  
That maybe this is the end, you were my heart,  
Baby you were my bestfriend, but we can't go on.

And Oh,  
Why are we pretending?  
Why are we just wasting time on a love that isn't real?  
Because if you don't want me,  
You should just tell me now, so I can save these tears.

We tried to make it work but we just can't make it last,  
We need to move on, stop living in the past,  
And I'll even even know, how our love got so strange,  
It's not the same.

And Oh,  
Why are we pretending?  
Why are we just wasting time, on a love that isn't real?  
Because if you don't want me, you should just tell me now,  
So I can save these tears.  
Let me save these tears
