

Until I'm One with You

Ryan Bingham

Until I'm one with you
Until I'm one with you
My heart shall not pass through
It'll only be forsaken

Until I'm one with you
Our world is torn in two
Until I'm one with you
Our love will be mistaken

Until I'm one with you
My death they will pursue
Until I'm one with you
My life will be degraded

Until I'm one with you
