

# Biggest Regret

Ryan Tedder

Have you ever wanted something so bad  
and watched it slip right through your hands?  
Sometimes it takes a while just to see  
the hardest thing to let go of is a dream

We were more than lonely searching souls  
stumbling across the universe  
And i can hardly take this in.  
Oh, it hurts to think of what might have been.

I hope you find just what you're looking for  
and I hope it sets you free.  
Hope four-leaf clovers fall down from the sky  
and sun shines on your feet  
Whatever in this world you want,  
i hope you get it all and more  
Now know i wish you love and happiness,  
but i hope i'm your biggest regret.

Your biggest regret.

I hope that when my heart has been returned,  
that deep inside you'll always feel this burn.  
I hope you see me never looking back  
and hear me in a passing stranger's laugh.

I know that we were just a chapter in this life  
and our story didn't feel right  
Like when two worlds just collided  
So why do I hope that in the back of your mind

I hope you find just what you're looking for  
and I hope it sets you free.  
Hope four-leaf clovers fall down from the sky  
and sun shines on your feet  
Whatever in this world you want,  
i hope you get it all and more  
Now know i wish you love and happiness,  
but i hope i'm your biggest regret.

Hope i'm your biggest regret.

And when you're looking back at life's unfolding picture,  
i'll be more than a fading photograph on the floor  
In that closet where you keep all your memories of me.

I hope you find just what you're looking for  
and I hope it sets you free.  
Hope four-leaf clovers fall down from the sky  
and sun shines.

I hope you find just what you're looking for  
and I hope it sets you free.  
Hope four-leaf clovers fall down from the sky  
and sun shines on your feet  
Whatever in this world you want,  
i hope you get it all and more

Now know i wish you love and happiness,  
but i hope i'm your biggest regret.

Your biggest regret.

Now I wish you love and happiness,  
but i hope i'm your biggest regret.

Yeah, the one you won't forget.
