

Boom Boom

Rye Rye

I got my eyes on the prize
And I'm ready to cash it in
Which dude wanna be my win?
I'm lookin' for a naughty friend
That don't mind me partyin'
And he's so "Hot Tamale" and
Chilled out... no cardigan

And you can meet me in my bedroom, baby
As long as you know how to drive a girl crazy
You'll be Donald, I'll be Daisy
Gotta put in work can't be lazy!
And when I feel that heat it's on
We freakin' all night long
And when the music comes on, he be jumpin' off strong inside

Boom boom boom
I want you in my room
Let's spend the night together
I wanna be with you
Boom boom boom
I want you in my room
Let's make this last forever
Just me and you together

Boom boom; Boom boom boom
Boom boom; boom boom boom
Boom boom; boom boom boom

I get... I get... I get...
Tingles when I see that boy
So hot he can be my toy
And we gonna get real wild
And play all night to the early morn
All the little things just turn me on
Take me to the crib-we can watch some porn
Or we can lay-in-da-grass/sit-n-
watch da sky cause tonight real love was born
Late hours, candle light, that's the way you like it, right?
A little bit of shiver, a little bit of spice
That's the shit that keeps it hype
Pleasure pain, sweet and sass,
On and On make it last
And I don't wanna be a Bonnie and Clyde... aiiight

Boom boom boom
I want you in my room
Let's spend the night together
I wanna be with you
Boom boom boom
I want you in my room
Let's make this last forever
Just me and you together
Boom boom boom
I want you in my room
Let's spend the night together
I wanna be with you

Boom boom boom
I want you in my room
Let's make this last forever
Just me and you together
Boom boom
Boom boom boom
Boom boom
Boom boom boom
Boom boom
Boom boom boom
Boom boom
Boom boom boom

Come and squeeze me, come and kiss me
Come and squeeze me, come and kiss me
Come and squeeze me, come and kiss me
Put your hand upon my cheek
Hold me tight, and don't let go, your loving got me feelin' weak
You blow my high, and you're so sweet, takin' all my energy
And I wanna; boom boom boom
And I wanna; boom boom boom

Like a video game PS3
Come on over let's Plug n' Play
Every girl: "got a freaky side of me..." Hey!
Who gives a fuck what they say?
Give it to me baby like Ah Ah
Everybody talkin' that Rye Rye
Boom boom boom, bitch, blah blah blah

Let's spend the night together
