I can't offer youa lifeline
But I will catch you when you fall
I can't gurantee the future
I can't promise much at all

When I'm trying hard to sleep You lift me up

If I Confess what i feel
Would you stay would you hold me
cos i get a litttle scared
to reveal all the secrets inside me
As long as the skies are blue
I'll be drawn to you

I can't stop the world from turning I can't say what's right from you But i can offer you some good times (yes, i can)
Maybe we can see this through

If I Confess what i feel
Would you stay would you hold me
cos i get a litttle scared
to reveal all the secrets inside me
As long as the skies are blue
(As long as the skies are blue)
I'll be drawn to you

Don't want no compromise
Don't want to games
I just want you stay with me baby
I just want you to stay

If I Confess what i feel
Would you stay would you hold me
cos i get a litttle scared
to reveal all the secrets inside me
As long as the skies are blue
I'll be drawn to you

As long as the skies are blue I'll be drawn to you
