

# Fool No More

S Club 8

I don't wanna (no, no, no...)  
a-a-ah  
Never gonna be, (a fool, fool...), no more

Never thought i'd see the day  
You'd play me  
But you're the kinda guy who lies  
To get along

So caught up in you're cheating world  
With diamond studded rings and pearls  
Now you cant deny it  
And I will be the fool no more

Don't you tell me  
I'm the only one  
Cos something tells me  
There's another one  
Who calls you baby  
Not the kinda girl to take so lightly

I don't wanna be a fool no more  
Never gonna be a fool no more

All the times you said to me  
I'll be there (I'll be there)  
But you're the kind of boy  
Who's time is nearly done (done, done..)

So caught up in you're cheating world (you're caught up, caught up)  
With diamond studded rings and pearls  
Now you cant deny it  
I will be the fool no more

Don't you tell me (a-a-ah)  
I'm the only one  
Cos something tells me (a-a-ah)  
There's another one  
Who calls you baby (a-a-ah)  
Not the kinda girl to take so lightly

I don't wanna be a fool no more  
Never gonna be a fool no more

I don't wanna be  
Never gonna be a fool no more

Don't you tell me (a-a-ah)  
I'm the only one  
Cos something tells me (a-a-ah)  
There's another one  
Who calls you baby (a-a-ah)  
Not the kinda girl to take so lightly

I don't wanna

Dont you tell me (a-a-ah)

I'm the only one  
Cos something tells me (a-a-ah)  
There's another one  
Who calls you baby (a-a-ah)  
I'm Not the kinda girl to take so lightly

I don't wanna

Don't you tell me (a-a-ah)  
I don't wanna be a fool  
There's another one  
Who calls you baby (a-a-ah)  
no more

I don't wanna
