

## Searching For Perfection

S Club 8

I just want it all, baby...  
Baby, Baby...  
Searching for perfection,  
Let me tell you I just want it all...

This girl doesn't want Mr Maybe  
So don't be wasting my time,  
Cos I know what I want from my boy  
Just enough of you love  
So you last me till forever

You're stealing my heart  
Like a thief in the night  
Yeah I know, no, no  
Hold back till you know where I'm at  
Cos a girls' gotta know for sure

Searching for perfection baby  
No more time for love rejections honey  
Gotta make the right connection,  
Let me tell you I just want it all  
Won't give up on love  
Never giving in moving on & up  
As we're riding on the rhythm  
Cos I'm searching for perfection,  
Let me tell I just want it all  
(No time for love rejection)

No way will I take Mr Part-time  
Ain't gonna compromise  
So wake up if want what I got  
Take me on & you'll find  
That you'll never get no better

You're stealing my heart  
Like a thief in the night  
Yeah I know,  
Hold back till you know where I'm at  
Cos a girls' gotta know for sure
