

## Stand By You

S.O.A.P.

I only wanna be with you  
I only wanna be with you

Damn you  
I think I can feel something special going on  
Something that has happened between us  
I feel more than you could ever imagine  
It's so clear  
I want you to know

I'm gonna stand by you  
If you want me to  
I'm gonna stand by you  
If you want it tonight  
I will stand by you  
Cause I wanna be with you  
I'll stand by you  
Stand by you

Stand by stand by you  
Stand by stand by you

I only wanna be with you  
I only wanna be with you

Damn you  
Don't you know we're so good together  
Us two  
Nothing's gonna come in between us  
I know  
We'll go in two different directions sometime  
But you will always be on my mind

And if you think you ain't got nobody  
I just want you to know

I'm gonna stand by you  
If you want me to  
I'm gonna stand by you  
If you want it tonight  
I will stand by you  
Cause I wanna be with you  
I'll stand by you  
Stand by you

Stand by, stand by you  
Stand by, stand by you
