

# Beat All the Odds

S3RL

We have been through so much  
We have been through thick and thin  
But but but  
This time it just feels like  
There is no way we can win

It's the like the whole world's against us  
And we cannot find our way  
Then you turn to me and say...

We can beat  
All the odds  
Trust in me because  
I will not let you fall

We can beat  
All the odds  
Trust in me because  
I will not let you fall

We can beat all the odds

We have been fighting for so long  
Hope we're getting close  
It it it  
It seems like this is endless  
It seems like time has slowed

It's the like the whole world's against us  
And we cannot find our way  
Then you turn to me and say...

We can beat  
All the odds  
Trust in me because  
I will not let you fall

We can beat  
All the odds  
Trust in me because  
I will not let you fall

We can beat all the odds...

We can beat  
All the odds  
Trust in me because  
I will not let you fall
