

## Electric Sky 2016

S3RL

Under the electric, the electric sky  
We come together, together unite  
Leave everything that you know behind  
Everybody that is here tonight  
We're here for the same reason, you and I  
To meet underneath the electric sky

The electric sky [x5]

(The electric sky)

Under the electric, the electric sky  
Leave everything that you know behind  
Everybody that is here tonight  
The electric sky

(The electric sky)

The electric sky

Under the electric, the electric sky  
We come together, together unite  
Leave everything that you know behind  
Everybody that is here tonight  
We're here for the same reason, you and I  
To meet underneath the electric sky
