S3RL

Predictable rave song  
Rave song, rave song  
Rave song

All night, moving to the music  
Those eyes are lifting me higher  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
My mind when I see you dancing  
Can't find a word to define you  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh

Hard bass in time with the music  
Feels like I might just lose it  
Then I realize that I'm inside

A predictable rave song  
Oh, I've been stuck in a rave song  
A predictable rave song  
Oh, you make me feel like I'm  
In a rave song, rave song, rave song, rave song

Predictable rave song  
Rave song, rave song  
Rave song

Won't you be my shooting star tonight  
Oh, burn bright and light up the whole night  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
Set me free and we can be together  
Ecstasy, I want you forever  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh  
Oh-whoa-oh-whoa-oh-oh-oh-oh-oh

Hard bass in time with the music  
Feels like I might just lose it  
Then I realize that I'm inside

A predictable rave song  
Oh, I've been stuck in a rave song  
Stuck in a rave song, all night long  
Oh, you make me feel like I'm  
In a rave song, rave song, rave song, rave song  
Rave song, rave song, rave song, rave song  
Rave song, rave song, rave song, rave song  
...

A predictable rave song  
Oh, I've been stuck in a rave song  
A predictable rave song  
Oh, you make me feel like I'm  
In a rave song, rave song, rave song

Predictable rave song  
Rave song, rave song

Rave song

Stuck in a rave song, all night long  
Oh, you make me feel like I'm  
In a rave song
