

# Princess Bubblegum

S3RL

I can be your Bubblegum,  
Be your princess from,  
Candy kingdom

If Lady Rainicorn and Jake can be,  
Living happily,  
Then so can we..

And you can be,  
Right here, right next to me.  
Saving me from Ice King,  
Cos you're my saviour, Uh, you're my hero..

Oh  
I'll never let you go,  
Not Flame Princess oh no.  
We can make our own adventure together..
