

# That Feelin'

S3RL

Give me the bassline and the treble  
Give me the feeling that makes my heart sing loud like  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh  
And when the speakers start to tremble  
It makes my hair stand up on the back of my neck like  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh

That feelin'  
That feelin' like  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh

Let that sound play and let it take control of me  
Over and over again

Makes my heart sing loud like

Give me the bassline and the treble  
Give me the feeling that makes my heart sing loud like  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh  
And when the speakers start to tremble  
It makes my hair stand up on the back of my neck like  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh

That feelin'  
Ooh-ooh-ooh, la-la-la-la, like ooh-ooh-ooh

Let that sound play and let it take control of me  
Over and over again  
Let that sound play and let it take control of me  
Over and over again

That feelin'

Give me the bassline  
Give me the bassline  
Give me the bass  
Give me the bass  
Give me the bass
