

What We Do

S3RL

We're gonna shake the place
When we're melting to the bass
You'll never be the same
This is why we came

We go out on the weekend and we're gonna shake the place
Moving to the kicking beats and bouncing to the bass
We love the hardcore sounds and the atmosphere too
We love to rave and dance all night 'cause this is what we do

The music takes control and you'll never be the same
This is what we're here for, this is why we came
Ripping up the dance floor and everywhere else too
This is what we live for, this is what we do (we do [?x])
What we do (we do [?x])

We're gonna shake the place
When we're melting to the bass
You'll never be the same
This is why we came
