No Words

Sabrina Carpenter

No words, no words, no words

When everything's quiet
Nothing on the tip of your tongue
But a beautiful silence
And the lights ring out
But even in the madness
When everything just seems to go wrong
Take a beautiful silence
And the lights ring out
Ribs are a cage of a wild heart
I can hear your heart beating in the bars
Beating in the bars, beating in the bars
Ribs are a cage of a wild heart
I can hear your heart beating in the bars
Beating in the bars, beating in the bars

When everything is up and down
Up and down, up and down
And the world is trying to beat you down
Beat you down, beat you down
No, no, no words
We could keep it quiet
Livin' on the tip of your tongue
When everything is up and down
Up and down, up and down
No, no, no words

We don't need the darkness
The darkness having you by my side
Cause you leave me speechless
And the lights ring out
When nobody can hear us
I'll tell you everything with my eyes
Cause you leave me speechless
And I think you know

When everything is up and down
Up and down, up and down
And the world is trying to beat you down
Beat you down, beat you down
No, no, no words
We could keep it quiet
Livin' on the tip of your tongue
When everything is up and down
Up and down, up and down
No, no, no words

No words, no words, no words
When it
No words, no words, no words
Hear me
No words, no words, no words
Baby
No words, no words, no words

When everything is up and down

Up and down, up and down
And the world is trying to beat you down
Beat you down, beat you down
No, no, no words
We could keep it quiet
Livin' on the tip of your tongue
When everything is up and down
Up and down, up and down
No, no, no words

No words, no words, no words
When it
No words, no words, no words
Hear me
No words, no words, no words
Baby
No words, no words, no words

Ribs are a cage of a wild heart
I can hear your heart beating in the bars
Beating in the bars, beating in the bars
Ribs are a cage of a wild heart
I can hear your heart beating in the bars
Beating in the bars, beating in the bars

Baby
No words, no words, no words
