

## Confidently Lost

Sabrina Claudio

I'm alone but I'm not lonely  
Comfortably indulging  
And trying to get to know me  
I'm just an outline of what I used to be  
Constantly evolving  
Steadily revolving

I am confidently lost  
I don't need you to find me  
You don't define me  
I am confidently lost  
I don't need you to find me  
Cause I'm not hiding

Anything  
Anything

Made up of hope and meditation  
Love, imagination water my creations  
Baby it's amazing  
All the days I'm facing  
Nothing seems to phase me  
Cause I

I am confidently lost  
I don't need you to find me  
Cause I know how it is

Anything  
Anything  
Anything  
Anything

Thinking about where I've gone  
Where I'm going  
And I wouldn't change it for the world  
Thinking about where I'm from  
If I belong there  
But I wouldn't change it for anything  
(I wouldn't change it for anything)

Anything  
Anything  
Anything
