

Never Too Late

Sabrina

Never knew joy like this
Taken in by a kiss
Honey you know you make me shiver
Stop inside and you will see
Joy of love so tenderly
Come into these arms they long to guide

Never too late to learn
Never too late my love
Don't let me wait I have to give my love
Never too late to know
I need to love you so
Don't want to live alone I want to love

Empty hearts that held no life
Foolish pride a sacrifice
Never knew the pain and sorrow of time
After storms rainbows shine
If the sun moves out in time
There will never be the rain again
