

Rockawillie

Sabrina

Rockawillie go...
Rock your willie go
Rockawillie go...
Rock your willie go

He gives me roses and he's so romantic
He plays guitar and it feels so magic
He drives me crazy when he rocks his willie
He's my little toy

I used to drink a lot of valium
I used to be a very very shy girl
I used to live in a big aquarium
He's my little boy

Rockawillie go...
Rock your willie go
Rockawillie go...
Rock your willie go

My Rockawillie always rocks his willie
So c'mon baby, c'mon rock me

Rockawillie go...
Rock your willie go
Rockawillie go...
Rock your willie go

I've gotta cook when he gives me flowers
I wanna leave on a leaning tower
I've gotta drive it up to reach the power
He's so cool to me
