

Yeah Yeah

Sabrina

C'mon! Oh Yeah! One, two, three, four

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now

I wanna be happy,
I wanna be healthy
And breathe in a clean open air
Imagination
Will loose all nations
But who's the looser in the end ?

You'd better look around
You need a better ground
Where you can walk in tomorrow's dream

These words are simple
And life is playful
And we believe in ourselves
We live our story
To find our glory
A flame that's burning in our hands

But if you look inside
We'd better realise
We don't need an artificial world around
'Cause my baby is crying
And I'm not lying
This power's not a happiness

Oh yeah!

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now

I wanna be happy
I wanna be healthy
And run in a green open field
We live our story
To find our glory
An empty promise in our hands

But if you look inside
We'd better realise
We don't need an artificial world around
'Cause my baby's crying
And I'm not lying
This power's not a happiness

Oh right

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Oh right
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now

'Cause my baby's crying
And I'm not lying
This power's not a happiness

Oh right

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now

One, two, three, four

Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready for,
Wow wow wow
Yeah yeah yeah are you ready now
