You can get it if you really want
You can get it if you really want

Persecution you must fear
Win or lose you got to get your share
You got your mind set on a dream
You can get it though hard it may seem now

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try - you'll succeed at last

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try - you'll succeed at last
You must try
Persecution you must fear
Win or lose you got to get your share
You can do it
You must try

You can get it if your really want

You must try
Opposition will come your way
You can get it
You
You can
