

# Awakening

Sacred Reich

Deep inside  
In my vine  
I found the light  
Horny trails  
Empty trails  
Now it's the time

Lifting  
Rising  
Awakening  
Leaving  
Dieing  
Awakening

Be on space  
Be on time  
Finding bless  
Into the vine  
Into the hearts  
Into the true

Lifting  
Rising  
Awakening  
Leaving  
Dieing  
Awakening

Living in a thoughts  
Where the enemys dead  
I lost my way  
Now the sunshine bright  
And the bloods is sing  
Awakening

Leaving  
Dieing  
Awakening
