

Ceremonial Magician of the Left Hand Path

Sacred Steel

Burn eternally
Sinful souls
Damned to hell
To perish here forevermore
In his flames we must dwell

From life
There is no escape
Never try
To die
Just a hope in vain
Suicide

I believe in the devil
For his kingdom is here
I believe in the devil
For we are his children and we suffer here

Burn internally
Feel his flames in thy flesh
The curse of immortality
Rebirth after death

Forgive me not
For I have sinned
Forgive me not
I will sin and sin again

Satan
Father
Lord of this world of hell
I am thy blood and flesh
Human
Enslaved to the devil

Lies

Ceremonial magician of the left hand path
Speak thy words
Incantations
Protect me from God's wrath
