

# Journey to the City of the Dreaming Dead

Sacred Steel

(The Dark Lord's seventh Dream-Journey to Illumination)  
"(I travel the most) Secret Passage in my Dream, a  
Gateway back to Hell  
None can hear my silent scream... (I follow to) the  
Whisper of the Well...  
...Tongues that speak of Lunacy, (of) Blackness, Pain  
and Doom !  
I linger though forbidden veils (of) unknown twisted  
Truth (of the ELDER GODS)"  
"(Their) Knowledge black eats my soul. (I) become one  
with the Dark...  
(As) Visions of the Metal Throne enlighten (and) stir  
my Heart !"  
"On my Journey to the City of the Dreaming Dead...  
(I) Find the Truth (of) Magic Spells (of) Innocence and  
Wrath...  
On my Journey to the City of the Dreaming Dead...  
(I) Find the answers to the riddles of all Life and  
Death..."  
"(Unearthly) Citadels of Power Gleaming ('neath the  
Dragonsky) (Monuments of might, now) withered and  
decayed.  
(This land of Shadows was) once a realm of ancient  
Glory (now it has become a sad) Palace of Dismay !  
I have sworn to bring the Seed of Life back to this  
place !  
(By) Magic black (and) Rites forbidden I control their  
fate ! (The Time has come to wake the Dreaming Dead  
from their Timeless Slumber...")  
("They moan and writhe in agony and pain  
Dark Warrior-Demons breathe foul air again !!!")
