

## Plague of Terror

Sacred Steel

Can you feel the cold chill in the air  
Damned souls - they have risen from their lair  
Can't you read the signs - they're clear to see  
Death immortal claims mortality

Come forth - break through from the depths of hell  
Mortals - beware - hear the demon bell

From the land of the dead we rise to fly  
Plague of terror  
To the land of the living - prey in sight  
Plague of terror  
Your judgement day it has arrived  
Plague of terror - rise

Darkening the sky - black legion's wings  
Loyal to the crown of their dark king  
Falling from the sky - hell's plague of doom  
Mankind dies - the earth it's silent tomb

"Ladies and gentlemen. This will be our last broadcast  
Evil incarnate has conquered our world  
It seems like there's no way to escape the wrath of the  
undead legions  
That have emerged from hell  
May god be with us! Harris Johns for CNN network"
