

The Oath of Blood

Sacred Steel

"Descending from the Heavens, cloaked in Armour shining bright
The grim foretold Messiah, wielder of the Power and Might
The Punisher, the Oath-sworn King, the breaker of the Spell
The one to crush the Tyranny and send him back to Hell !"

[THE EMPEROR:]

"I am the one, the Son of the Sun
Creator of Light where the Darkness prevails
Come True Ones, let Justice be done !
We'll banish the Darkness for he's bound to fail !"
("The Choir of the Chosen enshrouds me in Glory Immortal !")
[THE ARMY OF A'RYTH-RA:]
"HAIL ! HAIL ! HAIL ! HAIL ! HAIL ! HAIL !"
([THE EMPEROR:] "The Voice of the Goddess flows through me !")
[XU:]

"From now on call thee Emperor !
Scion of the Gods !
Gather the Chosen Ones there...
(Now swear) THE OATH OF BLOOD !
Lead them to Glory forever, Wielder of the Sword !"

[THE ARMY OF A'RYTH-RA:]

"(We're) Building a Kingdom of Metal
All sworn by THE OATH OF BLOOD !"

[THE EMPEROR:]

"Fight for your lives ! Be strong and survive !
The ending of Terror, his time is at hand
The Night will die and our Light will shine...
The coming of Judgement, the Tyranny's end..."
"SATE MY STEEL WITH BLOOD ! FEED THE SLAUGHTERGOD !"

"From now on call ME Emperor !
(I am the) Scion of the Gods !
(I've) Gathered the Chosen Ones here...
(We are bound - in Life and Death - by) THE OATH OF BLOOD !
I'll lead 'em to Glory forever ! (I am the) Wielder of the Sword !"

"(We're) Building a Kingdom of Metal
All sworn by THE OATH OF BLOOD !"
