

# Never as Good as the First Time

Sade

Good times they come and they go  
Never going to know  
What fate is going to blow  
You're way just hope it feels right  
Sometimes it comes and it goes  
You take it ever so slow  
And then you lose it, then it flows right to you  
So we rely on the past  
Special moments that last  
Were they as tender as we dare to remember  
Such a fine time as this  
What could equal the bliss  
The thrill of the first kiss  
It'll blow right to you

It's never as good as the first time  
Never as good as the first time

Good times they come and they go  
Never going to know  
It's like the weather  
One day chicken next day feathers  
The rose we remember  
The thorns we forget  
We'd love and leave  
We never spend a minute on regret

It is a possibility  
The more we know the less we see  
Second time, second time is not quite what it seems  
Natural as the way we came to be  
Second time won't live up to the dream

It's never as good as the first time  
Never as good as the first time

Natural as the way we came to be  
Second time won't live up to the dream  
Natural as the way we came to be  
Second time is not quite what it seemed

It's never  
As good as the first time  
As the first time (Never as good as the first time)  
The First time

Natural as the way we came to be  
Second time won't live up to the dream  
Natural as the way we came to be  
Second time is not quite what it seemed

It's never  
As good as the first time  
As the first time (never as good as the first time)  
The first time
