Struck down in a flash of pain Killed swiftly in its own domain Struggling for what is left Brutal shock, dismemberment Ineffective attempts to flee Body stuck to an instant grave Makes no difference left to be Can't you see the life in me is draining away? Destiny calls Don't fall Impending death Struggling to be Now freed Life passed on A million times struck down Body becomes fused to the ground Mangled body Flattened corpse Stench of rot Hammered carnage Crusting thing Maggots breed Degenerate Mortified Disintegrate Eroding bone Melts to stone Collapse to dust Good riddance Struck down in a flash of pain Killed swiftly in its own domain Struggling for what is left Brutal shock, dismemberment Ineffective attempts to flee Body stuck to an instant grave Makes no difference left to be Can't you see the life in me is draining away? Good riddance
