

## Breathing Lessons

Saga

I know how to roll a seven  
& I know I've got a place in heaven  
But I'm in no hurry to go  
I know all the compromises  
& I've seen all the shapes & sizes  
But I never go with the flow  
[bridge]  
I think I need some breathing lessons  
Sometimes I go too far  
I know I need some breathing lessons  
Show me where to start  
I don't know how to change the weather  
But I've seen you in lace & leather  
& I keep that thought to myself  
I know how to live on credit  
Take a dive & never regret it  
So much for sharing the wealth  
[repeat bridge]  
[chorus]  
Breath in, Breath out  
you don't know how I need you right now  
Breath in - If I let go  
And breath out- Tell me you'll catch me  
I know that you will show me how  
I know how to lock & load it  
& I know how to crack and de-code it  
Call it my fortunate fame  
I know how to do what matters  
Shake the tree & how to climb the ladder  
I'm at the top of my game  
[repeat bridge]  
[repeat chorus]
