

## Intermission

Saga

See the man  
Watch another man  
See their lives  
Dissolve into one  
See the boy in his eyes  
Remember other times  
[Chorus]  
I fall inside  
Reflecting eyes  
Dissolve in time  
The same man  
Doesn't try to understand  
How the time  
Slipped through his hands  
It's so hard to see  
Through those failing eyes  
[Repeat Chorus]
