## What Do I Know?

You were once my vice Now you're just like ice So cold and too cool You know how to hypnotize You wear a great disguise I've learned to see through [Chorus] What do I know What do I know I'm confused by things that you do What do I know What do I know I can't stop thinking about you I don't see wrong from right But I could see the light Stopped shining in you And on a distant night You went and lost the fight That made me look up to you [Repeat Chorus] [Repeat Chorus] What did you change for [Repeat Chorus] What did you change for No one could give you more
