

# You and the Night

Saga

Feel like  
Feel like I'm falling  
Falling in-- Falling out  
Feel like  
Feel like calling  
Calling out for some kind of help  
[Chorus]  
Only you  
You and the night  
Only you  
Can help me tonight  
Feel like  
Feel like I'm drowning  
Reaching up for someone's hand  
To pull me out  
And I feel as though it's time I told you  
Just how much I need to feel your love  
[Repeat Chorus until end]
