

Honey Lungs

Said the Whale

I don't believe in a God full of hate
I hit the bottom 'til it started to break

Now I'm putting down my guns, I've got honey in my lungs, alright
Ugh!

I feel the sweat in the palm of my hands
A knee pressed on the throat of a man
I fall asleep to the sound of the screams
I dig a hole deep down inside of me

Now I'm leaning into love, showing sugar on my tongue tonight
And I'm putting down my guns, I've got honey in my lungs, alright
Fuck yes, ugh!

I only wanted to be a good man
A late-night phone call to a friend
I love you more than you could possibly know
I wear my heart on my sleeve and I want it to show

That I'm leaning into love, showing sugar on my tongue tonight
And I'm putting down my guns, I've got honey in my lungs, alright

You can find the joy in every agonizing moment of existence on this planet
Oh-oh, oh-oh, oh
You can find the joy in every agonizing moment of existence on this planet
Oh-oh, oh-oh, oh
You can find the joy in every agonizing moment of existence on this planet
Oh-oh, oh-oh, oh
You can find the joy in every agonizing moment of existence

Leaning into love, showing sugar on my tongue tonight
And I'm putting down my guns, I've got honey in my lungs, alright

And I'm leaning into love, showing sugar on my tongue
I'm putting down my guns, I've got honey in my lungs

Sugar on my tongue, I've got honey in my lungs, alright
