

Out of My Mind

Saint Etienne

Are you alone? Where you asleep?
Is it a good time? Just, I needed to speak
'Cause I can't get it out of my mind
Now, I can't get it out of my mind

Was it a crime? Are we gonna pay?
Are we gonna laugh about it one of these days?
Well, I think about it all the time
And I can't get it out of my mind

No, I can't get it out of my mind
I can't get it out of my mind
I think about it all the time
And I can't get it out of my mind

Is this the end? I need to know
If it's the start of something, where does it go?
'Cause I can't get it out of my mind
Now, I can't get it out of my mind

I've given time and I've given space
I've tried a hundred things, but I'm still in the place
Where I think about it all of the time
And I can't get it out of my mind

No I can't get it out of my mind
I can't get it out of my mind
I think about it all of the time
And I can't get it out of my mind

I can't get it out of my mind
I can't get it out of my mind
I think about it all the time
And I can't get it out of my mind

The memories shake my day
I guess they're here to stay
When I'm standing all alone
Staring at my phone
Should I take a different path?
Or could it really last?
The memories shake my day
I don't know what else to say

(Are you alone? Where you asleep?)
(Are you alone? Where you asleep?)
(Are you alone? Where you asleep?)
(Are you alone? Where you asleep?)
(Are you alone?)

No, I can't get it out of my mind
I can't get it out of my mind
I can't get it out of my mind
I can't get it out of my mind

No I can't get it out of my mind
I can't get it out of my mind

I think about it all the time
And I can't get it out of my mind
