Saint Etienne

I found some time to stop and think it over And all I know is thank you I never knew where to begin Or where it would end I never knew where to begin Ooh I want to be exactly where you're going The land, the sea, thank you I never knew where to begin Or where it would end I never knew where to begin Ooh I never knew where to begin Or where it would end I never knew where to begin Ooh I never knew where to begin Or where it would end I never knew where to begin Ooh . . .
