

# Move

## Saint Motel

Move

This man, this dutiful man has got this sense of devotion  
One look, one touch of a hand can set the spiral in motion

I want it, can't have it  
Oh, I can hardly stand it  
Oh, what's a man to do?

Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now

This girl, this beautiful girl with eyes the size of the ocean  
This man, this dutiful man has got this mixed up emotions

I want it, can't have it  
Oh, I can hardly stand it  
Oh, what's a man to do?

Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now

Head, shoulders, knees, toes  
Look alive it's time to go  
Head, shoulders, knees, toes  
Look alive it's time to go  
Head, shoulders, knees, toes  
Look alive it's time to go  
Head, shoulders, knees, toes  
Look alive it's time to go

Gotta get up, I gotta get up  
Move

Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Gotta get up, I gotta get up  
Move  
Na na na na na na na now  
Na na na na na na na now  
Na na na na na na na now
